# SYAZWANI AKEBAL

UIUX Designer

Experience

Freelance UI/UX Designer — Sept 2024 - Present
Remote

Taxminder
Created wireframes in Figma for key user flows and client intake form for generating personalized US tax calendars. Enhanced and refined existing designs created by another designer for better usability.

ICT Asset Management System
Designed an ICT Asset Management System in Figma for schools under the Ministry of Education Malaysia. Collaborated with business analysts and developers to ensure smooth implementation.

eBencana
Redesigned eBencana in Figma, a disaster alert mobile app by Jabatan Kerja Raya Malaysia.

Other Projects
Additionally worked on mini projects, primarily focused on redesigning existing interfaces for better usability.

Software Engineer – UI — Jun 2023 - Jul 2024
Fiuu (formerly Razer Merchant Services)

Contributed to UI enhancements across web portals (Booster and Merchant Portal), focusing on responsive and consistent branding. Created wireframes and interactive prototypes (Adobe XD) for features like eForm, VCode, MOTO Payment. Designed user interfaces and worked closely with the development team for implementation.

ICT Intern — Sept 2022 - Jan 2023
Johor Port Berhad

Designed mockups in Figma for Vendor Performance Evaluation System. Involved in UX documentation (URS) and stakeholder meetings. Develop Audit Management Information System for internal audit.
